

# Recycle for Sight

**Your local Lions Club collects spectacles that are no longer needed to be recycled and sent to improve the eyesight of children and adults in other countries. Here's how you can help.**

## Step 1:

Place the spectacles in the box or bin provided.

## Step 2:

Arrange for your local Lions Club to collect the spectacles.

## Step 3:

The spectacles are then sent to one of two recycling centres for sorting.

## Step 4:

Those spectacles most suitable for recycling are selected.

## Step 5:

The recycled spectacles are packed and sent to Medico Lions Clubs de France in Le Havre for washing and grading.

## Step 6:

Spectacles are sent to eye camps in Africa, India and eastern Europe for people of all ages.
